

Call for Applications to the EU Scheme for Young Professionals in the Western Balkans – Round III (YPS 2018)

The **European Commission** and the **British Council**, announce the opening of the call for applications to the “*EU Scheme for Young Professionals in the Western Balkans – Round III*” (YPS 2018). The Action is implementing two training programmes in EU academic institutions and a regional exchange component for early career civil servants (2 to 5 years of working experience in Public Administration) from the six countries of the Western Balkans – WB6 (Bosnia & Herzegovina, Montenegro, Republic of Macedonia, Kosovo*, Serbia and Albania). The Action is managed by the European Commission and implemented by the British Council. Applications will be open from **30th August 2018** and until **13th September 2018**. Successful applicants will be offered the opportunity to attend two intensive trainings (2 weeks each). The second training, named “Public Administration Reform in the Context of EU Integration Process”, will be at College of Europe in Bruges (Belgium) during February 2019. YPS 2018, the third round of this scheme and foreseen as a follow up to a similar Pilot Action launched in 2016 (YPS 2016), is aiming at contributing to progress in the accession process and to deepen regional cooperation among countries in WB6 countries. First, it focuses on building professional capacity and preparing the next generation of public administrators and policy makers in the six Western Balkan countries who will be in charge of the accession process, and drive and lead future change in their societies, particularly those required under the SAA implementation and accession negotiation process.
